

K20/20® "Bullet!"

Carpet & Upholstery Pre-Spray

K20/20® "Bullet!" Carpet & Upholstery Pre-Spray is, without a doubt, a highly effective **Detergent-, Enzyme- & Solvent-Free Micro Emulsifier**

that can be used on a wide range of carpet fiber (Nylon, Polypropylene/Olefin, Polyester, Triexta, etc.) or upholstery fiber (Olefin, Polyester, Rayon, Nylon, Microfiber, etc.) for both restorative cleaning or daily maintenance.

It can be used on all types of carpets or upholstery, that are water- and colorfast to not only remove heavy soil residues but a very wide range of spots & stains as well!

Regardless of fiber type/color or cleaning system being used, dramatic results will be achieved because upon contact, **K20/20® "Bullet!"** not only immediately breaks down and dissolves carbon-based (organic) soil binders that are on the fibers but also penetrates the small pores in the fibers as well and releases the particle soil from the fibers, which allows you to effectively remove the worst of soil residues from all types of carpet & upholstery.

It performs under the most challenging conditions and will provide amazing results cleaning carpets & upholstery with extreme soil buildup/deposits, allowing you to remove the heaviest grease, oil, dirt (including red clay) residues as well as spot & stains caused by shoe polish, food and beverage residues, various inks, blood, detergent residues, etc.

The moment you use **K20/20® "Bullet!"**, you will clearly see that it outperforms and cleans better than conventional products. It will drastically reduce your labor requirements and significantly improve the appearance level and cleanliness of the carpet /upholstery.

**K20/20® "Bullet!" can be used with all types of cleaning machines/systems:
Extractors! • Low Speed Rotary Machines! • Counter Rotating Brush Machines!
Oscillating/Orbital Machines! • Multi Brush/Pad Machines!**

MIXING/DILUTION DIRECTIONS (Per Gallon of Water)

Conditions	Oz. - Min.	Oz. - Max.
Light Soil:	6	8
Medium Soil:	8	10
Heavy Soil:	10	12

K20/20® "Bullet!" Carpet & Upholstery Pre-Spray
 can absolutely be used as a pre-spray with every type of cleaning machine/system!

Simply dilute K20/20® "Bullet!" Carpet & Upholstery Pre-Spray according to soil conditions
 and pre-spray the carpet or upholstery using manual pump-up, electric
 or battery powered sprayers, etc.

Using a very fine fan pattern spray nozzle (TeeJet 8000 - 8002 or equivalent) on your sprayer will
 highly improve product application efficiency and prove to be most cost effective.

K20/20® "Bullet!" Carpet & Upholstery Pre-Spray works immediately!

K20/20® "Bullet!"

Carpet & Upholstery Pre-Spray Technical Data

K20/20® "Bullet!" Carpet & Upholstery Pre-Spray is absolutely odorless and can be used in all types of environments.

Commercial, Industrial, Medical or Residential!

It does not contain detergents that can leave behind sticky residues and cause fast resoiling! Carpet & Upholstery will stay clean longer when using K20/20® "Bullet!" Carpet & Upholstery Pre-Spray!

ATTENTION: Do not use K20/20® "Bullet!" Carpet & Upholstery Pre-Spray on fabrics/materials that are not water-fast such as suede leather, silk/velvet or on fabrics that are sensitive to alkaline based cleaners such as Haitian Cotton, etc.

Always check carpet or upholstery for water- and colorfastness prior to use.

Do not mix with extremely hot water as that could cause the fast evaporation of K20/20® "Bullet!" Carpet & Upholstery Pre-Spray and possibly result in uneven, blotchy results.

Avoid contact with eyes. If splashed in eyes, immediately remove contact lenses, if applicable, and rinse eyes with water for 3 - 5 minutes. Contact a physician if necessary.

Review Safety Data Sheet (SDS) prior to use.

Product Contains Modified Salts. pH 9.8

Always keep all cleaning products out of the reach of children!
